## Is The Program Right For You?

Like To Be In The Know? Like To Write? Design? Are You Naturally Curious? Interested in Shooting & Editing Video? Like To Take Pics? Like To Post On Social Media? Have Some Artistic Talent? **Then It Is.**

## Getting Started Is Easy:

### 1. Take one of the prerequisite classes

- Journalism Writing and Reporting  
-one semester Language Arts elective credit course
- Visual Journalism  
-one semester CTE credit course
- Intro to Digital Media  
-full year CTE credit course

### 2. Qualify for a prereq waiver

- Talk with Adviser Nancy Smith to come directly onto staff by earning a waiver:
  - Participation in summer training programs/workshops  
\*these may also involve a fee
  - Previous experience at another school
  - Completion of related coursework with teacher recc:
    - Photo 1 & 2
    - Graphic Design 1 & 2
    - Multimedia Applications

## Next Steps:

### Take A Production Course To Be On Staff

- All three staffs are CTE credits & elective credit if taken more than one year.
- Your voice is valued and respected! Students make all content decisions for the student publications at Lafayette.
- Staffs sometimes spend time outside of class to complete work for deadlines, but we work around your other activities.

#### • Digital Media Production

Produce digital material for The Lancer Feed website and @thelancerfeed social media as well as other video projects.

#### • News Production

Produce the newsmagazine (Image), website (lancerfeed.press) and social media (@thelancerfeed). Staffers complete the writing, designing, editing, business management, photography and graphics.

#### • Yearbook Production

Produce all content for the Legend. Staff members serve as writers, designers and photographers.
