

SUPPORT LAFAYETTE'S STUDENT PUBLICATIONS

BECOME A 2023-2024 PATRON

Choose A Level:

WHITE \$30 | BLACK \$50 | GOLD \$100

Student Publications patrons will have their name or business name published in the four issues of the *Image* newsmagazine, on the website at www.lancerfeed.press and once per quarter on the Lancer Feed's social media accounts.

Our journalism program only receives a small supply budget from the district, so we rely on advertising revenue and patron support to offset expenses for publishing, contest fees, membership in scholastic journalism organizations, participation in national conventions, technology and photography equipment purchases, and more. We appreciate any contribution made to our program!

*** You may also order additional subscriptions to be mailed to another address for \$10 each**

We Keep LHS Informed!

The *Image* **NEWSMAGAZINE** is distributed free to students four times each year. It includes news, opinion, feature and sports content. We focus on current issues, events and people in the Lancer community.

The news production staff provides regular coverage of the school community online on our website, www.lancerfeed.press, as well as on our social media accounts.

We welcome your ideas and input. Email us at thelancerfeed@gmail.com
